I also instructed her to contact me either at my office and provided the telephone numbers if she had any questions or concerns.

4. On May 15, 2002, I sent to Ms. Al-Shabkhoun an e-mail memo advising of the March 28, 2002 Patent Office Deadline. Attached to the e-mail were copies of the specification, drawings, inventors' Declaration and Assignment.

Dear Inventors:

The formal papers for the ClixnMortar patent application are **overdue** in the PTO. If you are receiving this e-mail, I have still not gotten your signed Assignment and Declaration. Each of you were previously named as inventors on a U.S. patent relating to the FastFrog system. ClixnMortar has filed a Continuation-In-Part patent application relating to what is now called the ClixList system (see attached patent application and figures). Therefore, you each need to sign the attached Assignment and Declaration.

Please sign the attached "Assignment and Agreement" and "Combined Declaration and Power of Attorney" and return these papers to me **as soon as possible via FedEx**. The Assignment and Agreement must be signed before **two witnesses**, who must also sign and date the document and write or type their full names.

Please contact me if you have any questions. Also, please contact me if you do not intend to sign these papers so ClixnMortar can take appropriate action.

Your timely response is appreciated.

Subject: Clix/FastFrog CIP Patent Application

Dear Inventors:

The formal papers for the ClixnMortar patent application are **overdue** in the PTO. If you are receiving this e-mail, I have still not gotten your signed Assignment and Declaration. Each of you were previously named as inventors on a U.S. patent relating to the FastFrog system. ClixnMortar has filed a Continuation-In-Part patent application relating to what is now called the ClixList system (see attached patent application and figures). Therefore, you each need to sign the attached Assignment and Declaration.

Please sign the attached "Assignment and Agreement" and "Combined Declaration and Power of Attorney" and return these papers to me **as soon as possible via FedEx**. The Assignment and Agreement must be signed before **two witnesses**, who must also sign and date the document and write or type their full names.

Please contact me if you have any questions. Also, please contact me if you do not intend to sign these papers so ClixnMortar can take appropriate action.
